FUNERAL RECEPTIONS AT FETCHAM PARK
Funeral Receptions at Fetcham Park

When a loved one is lost, friends and family often welcome the opportunity to pay their respects, share their memories and celebrate the life of someone they cared about.

It can be understandably difficult to contemplate hosting a reception at such a time but Fetcham Park’s caring and dedicated team can make everything much easier for you.

The house provides a calming setting for conversation and reflection and we encourage everyone to treat it as their home for the day, bringing photos or mementoes to make the gathering as personal as possible.

We recommend caterers, will help you in any way possible and on the day itself, you can be assured that we will look after everything for you.

Let Fetcham Park provide you with the space and time you need to remember happier times.
